MANAGEMENT DISCUSSION AND ANALYSIS REPORT**(A) INDUSTRY STRUCTURE AND DEVELOPMENT**

Our company has taken many steps drastically to revive the operations . The Directors has utilized their contacts to take the new business and during the financial year 2016-17, the company has successfully did the job undertaken.

(B) OPPORTUNITY, THREATS AND CONCERNS

Except as otherwise and the following important factors could cause actual results to differ materially from the expectations include, among others:

- **General economic and business conditions**

As a company operating in India, we are affected by general economic and business conditions in the markets in which the Company operates and in the local, regional and national and international economies.

The Indian economy has grown steadily over the past several years. This improved performance was propelled by the growth in industrial activity and robust services sector. The overall economic growth will therefore impact the results of its operations. The growth prospects of the business of the Company and its ability to implement the strategies will be influenced by macroeconomic growth.

- **Factors affecting industrial activity**

Any change in the factors such as industrial policies, improper relationships with our customers, etc. which may affect our results of operation. The supply of financial services is determined by the cost curves associated with those services which are in turn determined by the cost of the factors of production and the underlying production function. Three aspects of these cost curves have an important effect on the supply of financial services and the structure of the industry — economies of scale, economies of joint production and distribution, and the management of risk. The nature of the cost and production functions underlying the supply of financial services and the structure of the industry is affected by several exogenous factors. Foremost among them are the economy, technology, regulation, and the role of the Federal government in financial service markets.

- **Changes in laws and regulations that apply to the industry**

Our business is subject to numerous laws, regulations and policies. Changes in the laws, regulations and policies, including the interpretation or enforcement thereof, which affect, or will affect, our business. In case of a failure to comply with these laws and regulations or to obtain or renew the necessary permits and approvals our business may be affected.

- **Changes in fiscal, economic or political conditions in India**

External factors such as potential terrorist attacks, acts of war or geopolitical and social turmoil in many parts of the world could constrain our ability to do business, increase the costs and negatively affect our financial performance.

(C) OUTLOOK

The report contains forward-looking statements, identified by words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates' and so on. The company is committed to put continuous efforts for providing superior quality products with research and innovation using best practices, adopting sales and marketing strategies, investment in people development and expansion of manufacturing capacity. The company is confident of continuous good performance of growth by using better technologies and consistent efforts. Fundamental growth drivers of the Indian economy continue to exist. Since these are based on certain assumptions and expectations of future events, the Company cannot guarantee that these are accurate or will be realized. The overall scenario for economy is showing recovery trends and we believe it will help our industry to grow at a faster rate, and we at Tarangini Investments Limited remains optimistic about our future.

(D) INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has engaged the services of an independent Auditor to carry out the internal audit and ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transaction are appropriately authorised, recorded and reported. All these measures are continuously reviewed by the management and as and when necessary improvements are affected.

(E) CORPORATE SOCIAL RESPONSIBILITY.

The management of your company is of the opinion that the company's contribution to the society should be of its own volition and not out of compulsion.

(F) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED.

During the Financial Year 2016-17 the company has taken many steps to retain their man power and for the welfare of the employee as employee are the back bone of any company and no company can survive without the satisfaction of their employees.

CAUTIONARY STATEMENT

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Tarangini Investments Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies & Notes to Accounts

1. Nature of Operations

TARANGINI INVESTMENTS LIMITED is engaged in the business of consultancy.

2. Statement of Significant Accounting Policies

a) Basis of Accounting

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006,(as amended) and the relevant provisions of the Companies Act,2013. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

b) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Income Tax

Provision is made for current tax liability which is likely to arise on the results for the year at the current rate of tax in accordance with the provisions of Income Tax Act, 1961.

d) Depreciation

- i. Depreciation has been provided on straight-line method on pro-rata basis at the rates & manner prescribed in Schedule II of the Companies Act, 2013.
- ii. Depreciation on the amount of additions made to fixed assets due to upgradation / improvements is provided over the remaining useful life of the asset to which it relates.
- iii. Depreciation on fixed assets added / disposed off during the year is provided on pro-rata basis.

e) Deferred Tax

Deferred taxes are measured based on the tax rates and the tax law enacted or substantively enacted at the balance sheet date. Deferred assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. If the Company has carry forward of unabsorbed depreciation and tax losses, deferred tax assets are recognized only if there is virtual certainty

that such deferred tax assets can be realized against future taxable profits. Unrecognized deferred tax assets of earlier year are reassessed and recognized to the extent that it has become reasonable certain that future taxable income will be available against which such deferred tax assets be realised.

f) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

g) Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates..

h) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

i) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

j) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
