TARANGINI INVESTMENT LIMITED - AUDITORS REPORT

Company Auditors Report

To the Members of
Tarangini Investments Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Tarangini Investment Limited (hereinafter referred to as "the Company") which comprise the Balance Sheet as at 31 March 2025 and the Statement of Profit and Loss Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2025 and its loss and other comprehensive loss changes in equity and its cash flows for the year ended on that date.

Based on our examination which included test checks. The company has used accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit we did not come across any instance of audit trail feature being tempered with.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Based on our examination which included test checks. The company has used accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit we did not come across any instance of audit trail feature being tempered with.

Key Audit Matters

Key audit matters ('KAM') are those matters that in our professional judgment were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements our responsibility is to read the other information identified above when it becomes available and in doing so consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Company's annual report if we conclude that there is a material misstatement therein we are required to communicate the matter to those charged with governance and take necessary actions as applicable under the relevant laws and regulations.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs profit/ loss and other comprehensive income changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement whether due to fraud or error.

In preparing the financial statements the Management and Board of Directors are

responsible for assessing the Company's ability to continue as a going concern disclosing as applicable matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion forgery intentional omissions misrepresentations or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
 - Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and based on the audit evidence obtained whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the Company to cease to
-

continue as a going concern.

- Evaluate the overall presentation structure and content of the financial statements including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding among other matters the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with the mall relationships and other matters that may reasonably be thought to bear on our independence and where applicable related safeguards.

From the matters communicated with those charged with governance we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to the Independent Auditor's Report on the standalone financial statements of Tarangini Investment Limited for the year ended 31 March 2025

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act 2013

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Tarangini Investment Limited ("the Company") as of 31 March 2025 in conjunction with our audit of the financial statements of the Company as at and for the year ended on that date.

In our opinion the Company has in all material respects adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2025 based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls
The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies the safeguarding of its assets the prevention and detection of frauds and errors the accuracy and completeness of the accounting records and the timely preparation of reliable financial information as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement including

the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements including the possibility of collusion or improper management override of controls material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the Management Discussion and Analysis report for the year ended on 31st March, 2025.

INDUSTRY STRUCTURE AND DEVELOPMENT

The industry is showing some improvement & your Directors are expecting better industrial developments in the coming years.

OPPORTUNITIES AND THREATS

The Company is taking maximum efforts to capitalize on business opportunities & further expect a better outlook in the coming years. The threats to the segment in which the company operates are pricing pressure arising due to competition from low cost service providers, technology up gradation, severe competition and newly emerging competitive nations and strict environment laws.

- **General economic and business conditions**

Company is affected by general economic and business conditions in the markets in which the Company operates.

The Indian economy has grown steadily over the past several years. This improved performance was propelled by the growth in industrial activity and robust services sector. The overall economic growth will therefore impact the results of its operations. The growth prospects of the business of the Company and its ability to implement the strategies will be influenced by macroeconomic growth.

- **Factors affecting industrial activity**

Any change in the factors such as industrial policies, improper relationships with our customers, etc. which may affect our results of operation. The supply of financial services is determined by the cost curves associated with those services which are in turn determined by the cost of the factors of production and the underlying production function. Three aspects of these cost curves have an important effect on the supply of financial services and the structure of the industry — economies of scale, economies of joint production and distribution, and the management of risk. The nature of the cost and production functions underlying the supply of financial services and the structure of the industry is affected by several exogenous factors. Foremost among them are the economy, technology, regulation, and the role of the Federal government in financial service markets.

- **Changes in laws and regulations that apply to the industry**

Our business is subject to numerous laws, regulations and policies. Changes in the laws, regulations and policies, including the interpretation or enforcement thereof, which affect, or will affect, our business. In case of a failure to comply with these laws and regulations or to obtain or renew the necessary permits and approvals our business may be affected.

- **Changes in fiscal, economic or political conditions in India**

External factors such as potential terrorist attacks, acts of war or geopolitical and social turmoil in many parts of the world could constrain our ability to do business, increase the costs and negatively affect our financial performance.

SEGMENT WISE PERFORMANCE

The company works in single business segment. The company has passed through a very unusual phase, any worthwhile comparison of performance between two periods would be inconclusive. There is, yet,

considerable scope for improvement.

OUTLOOK

The company is committed to put continuous efforts for providing superior quality services with research and innovation using best practices, adopting sales and marketing strategies, investment in people development and expansion of investment capacity. The company is confident of continuous good performance of growth by using better technologies and consistent efforts. Fundamental growth drivers of the Indian economy continue to exist. Since these are based on certain assumptions and expectations of future events, the Company cannot guarantee that these are accurate or will be realized. The overall scenario for economy is showing recovery trends and we believe it will help our industry to grow at a faster rate, and we at Tarangini Investments Limited remains optimistic about our future.

RISKS AND CONCERNS

In conducting its business, Tarangini Investments Limited faces a number of risks and uncertainties, many of which are beyond its ability to control or predict. Due to these risks and uncertainties, actual results may differ materially from those expressed or implied by forward-looking statements, and investors are cautioned not to place undue reliance on such statements, which speak only as of the date hereof. Investors are urged to review the discussion of risk factors associated with the Company's business as set out in the Company's most recent Annual Report as well as the Company's Annual Financial Statements and its other disclosure documents.

Additional risks and uncertainties not currently known to the company or that the company currently deems to be immaterial may also impair the company, and the company's failure to successfully address any such risks and uncertainties could have a material adverse effect on its business, financial condition and/or results of operations. The risks factors outlined in this section and elsewhere in this MDAR should be carefully considered by investors when evaluating an investment in the Company.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has engaged the services of an independent Auditor to carry out the internal audit and ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transactions are appropriately authorized, recorded and reported.

Disclosure Controls and Procedures

The Company's disclosure controls and procedures are designed to provide reasonable assurance that material items requiring disclosure by the Company in its annual filings, interim filings or other reports filed or submitted by it under securities legislation is accumulated and communicated to the Company's management, including its Chief Financial Officer (CFO), as appropriate to allow timely decisions regarding required disclosure.

Internal Control over Financial Reporting

Management is responsible for designing, establishing and maintaining a system of internal controls over financial reporting to provide reasonable assurance that the financial information prepared by the Company for external purposes is reliable and has been recorded, processed and reported in an accurate and timely manner.
